Feast of the Holy Family December 26th, 2021

When life can be so disconcerting and there is so much uncertainty, we like Mary are to trust in God's promise. While the public celebration of Christmas is limited this year, nothing can take away the joy that comes from when we, as people of faith, open our hearts to receive once again the news of the Saviour's birth. God with us! I'm extremely grateful to our parish staff and all involved in parish ministries who have worked incredibly hard and with dedication to serve our Cathedral community. How wonderful it has been to see us once again return to the Cathedral church to celebrate as a community of faith. Although now challenged again, let us remain calm, welcoming, and be a positive presence for each other. Each day I have been shown many signs of love, encouragement, patience, and kindness. Thank you for your kind welcome.

Have a Merry Christmas,
