*Blessed are the faithful: they are like safe anchors in a world of broken moorings.*

*Blessed are the just: they are to society what leaven is to bread. Blessed are the generous: they keep alive our faith in the essential goodness of people.*

*Blessed are the caring: they shine like beacons in a world darkened by indifference.*

*Blessed are the genuine: they glow like gems in a world of falseness.*

*And blessed are those who, having put their hand to the plough, refuse to look back: they will be found worthy of the kingdom*

Clergy and members of other churches as well as visitors, friends, and tourists are also welcome to come and join us in our special day of celebration.

## PARISH COMMUNITY

We are all looking forward to a summer of reconnecting with family and friends. It is wonderful to see so many of you feeling comfortable to return to Mass. It has been a long time since we were able to be together and it is good that we gather each week. Over the summer we will be inviting parishioners to think about how we can continue to build our parish community. What types of committees are needed, what ministries require additional members, what new ways we can out reach to our brothers and sisters in faith and those search for connection...these are all things for us to think about as a parish community. IF you have any questions, suggestions, or wish to join one of our ministries, please contact the Parish Office.

## RESTORATION PROJECT

The next round of the Restoration Project has started. This will be the sixth consecutive year the Parish has been able to bring in the restoration team. This year, the restorers will finish the remainder

three Saints on the East side of the church.

UPDATE: This week in the restoration, the restoration team continue to save as much of the original Leduc as possible. This entails gluing down the peeling yellow paint back onto the walls. The next step in the restoration is the removal of the 7 layers of paint which hide the original artwork.

*Thank you, Finance Committee*

## THE C.A.R.E COMMITTEE KEEPS ON GOING!

The work of the C.A.R.E. Committee has continued throughout the COVID pandemic. Welcoming, supporting, transporting, sponsoring, fund-raising, communicating, sharing are all aspects of the work of the committee. While some were limited by the Covid - 19 regulations, our work has continued.

Since 2015 when the committee was formed, we have welcomed 6 families to Antigonish - 7 adults, 19 children are now benefitting from the work of the committee and the wonderfully generous response by members of the congregation, community members, and organizations.

## C.A.R.E. COMMITTEE MEMBERS

Chair: Sue O'Brien

Vice-Chair: Martin MacDonald

Secretary and Communications: Manoela Strehl

Treasurer: Mike O'Brien

Pastor: Rev. Danny MacLennan

Family Arrival: Claire MacDonald & Jim Hubley

Housing: Marg MacIsaac & Donald Gillis

Integration: Pam Chisholm, Shaun Chisholm, Sue O'Brien, & Jim Hubley

Employment: Diane Roberts

Health: Emma Lee MacDonald & Gladys MacDougall

Education: Martin MacDonald

·Most of our newcomer families are now fully employed, including some of the older teenagers.

·The committee continues to meet regularly to plan for further endeavours. Applications for sponsorship of two men - one a widower with two children - who are currently living in situations of privation and insecurity, were completed and were submitted more than one year ago. We await the Government's next step in the process. These men and children are relatives of two of our newcomer families who pray for their reunification.

·We look to the future and are presently completing the application forms for a man and his young daughter who live in fear in Uganda. They, too, are related to a family brought to Antigonish by our committee. When this application is submitted we will look at the next step - as always, our priority is to help the most vulnerable. We will look at existing requests, as well as other considerations - housing, Government- assisted programs etc. In face of the invasion of Ukraine, a sizeable amount has been contributed by C.A.R.E to the Antigonish Ukrainian Refugee Relief Fund. Our work goes on!

·The acute shortage of affordable housing in Antigonish presents a challenge to us. Reunification of families provides some solution to this as well as building communities here:

We have been blessed by your support. Without it, none of this work is possible. You have supported us in so many ventures: yard sales, ham suppers, envelope campaigns, private donations, raffles, etc. Your help in donations of used items, furniture, bedding etc. has enabled us to provide homes, rather than simply living spaces. The welcoming community has given our families a sense of belonging, a sense of home.

Our fund-raising efforts to date have totaled \$205,000.  
**WE THANK YOU ALL FOR YOUR SUPPORT IN SO MANY WAYS.**

We welcome new members to our Committee. If you are interested, please contact:
