*Life is fleeting, and can be taken away from us  
in the twinkling of an eye.*

*However, the brevity and fragility of life brings home to us  
just how precious is the treasure we carry in earthen  
vessels.*

*Lord, give us the kind of faith  
that will enable us to live out joyfully  
the mystery of our fragile human condition,  
which sees us suspended between earth and heaven,  
between time and eternity,  
and between nothingness and infinity.*

## DEVELOPMENT & PEACE

The origins of Development & Peace were at the Second Vatican Council (1962-1965). Working closely with their colleagues from Latin America, Africa and Asia, the Canadian bishops became increasingly aware of the massive poverty and man-made injustices that confronted the developing world/Global South. Awakened to the call for justice, the Canadian delegation took an active role in drafting *Gaudium et Spes* (Pastoral Constitution on the Church in the Modern World). In this landmark document, the world's bishops taught that the Church was in solidarity with, and in service to, all humanity. The Church's role in society was to transform social and economic structures to make them more life-giving. Moreover, *Gaudium et Spes* emphasized that individual Catholics had a moral obligation to seek justice for the marginalized and to promote the common good. Serving as the unified voice of the world's bishops, this prophetic document committed the Catholic Church to working for social justice as a core component of its mission.

Funds raised through **Share Lent** would be used exclusively for community development and the promotion of human rights, not preaching or missionary activities. As a result, D&P was to serve **ALL** people regardless of race, creed or ideology. Funds would be granted based on the intrinsic value of the development project, not on religious belief or political orientation. (Jubilee – 50 Years of Solidarity – 'Realizing the Vision')

## HELP NEEDED—SAINT VINCENT DE PAUL

The St. Vincent de Paul Society is looking for YOUR HELP! Over the past months, they have seen an increase in requests and have had a hard time filling them.

This increase in activity means that they are looking for different furniture items such as small couches, love seats, kitchen tables (medium/small) and single mattresses.

In order to successfully meet our community's needs, they are also looking for more volunteers to join the furniture team.

If you can help in any way, please call 902-863-8050 and leave a message.

Someone from the furniture team will get back to you within the week.

Thanking you in advance for your help.

## MUSIC ROYAL CONCERT IN THE CHURCH

**Skye Consort & Emma Björling: Thursday August 11 at 7pm St Peter & St John Church, Baddeck**

Musique Royale announces a province-wide concert tour featuring the incredible "Trans-Atlantic" chamber folk music by Skye Consort & Swedish Singer Emma Björling, part of our 37th Summer Festival! With an intoxicating mix of whirling polskas, groovy reels, passionate love songs and breathtaking hymns, Skye Consort and Emma Björling have enchanted audiences near and far with their unique mix of Celtic music as well as traditional music from Quebec, Sweden and Norway and beyond. Singing, and playing fiddle, nyckelharpa, cello, and cittern, these extraordinary musicians have been called "breathtaking" by CBC Music on their recent album and Sweden's Lira Music Magazine praised them saying "it would be hard to find something better than this". The provincewide tour is from August 9-14th where we will be visiting Margaretsville, Arichat, Baddeck, Maitland, Wolfville, and Lunenburg. ## RESTORATION PROJEC

**UPDATE:** This week the conservators came to the church after dark to put the paintings under ultraviolet light. They did so in order to see where the over paint on the paintings are, so they don't accidentally remove any of the original! The dark brushstrokes under the ultraviolet light are over paint that they need to be removed.

Two more conservators have joined the project!

For the last month of the restoration, Tirza Harris and Bronwyn Bond will be working together on Saint Andrew! After just three days, the two conservators have already been able to glue St. Andrew down, and reveal some of his columns! Bronwyn Bond is a graduate from Queens University in conservation, and is currently in her final year of receiving a PhD in art history. And Tirza Harris is in her final year of art conservation at Queens University!

*Thank you, Development and Peace*
