St. Augustine, the great church writer said, 'become what you receive.' If we celebrate the Eucharist with each other and receive the Body and Blood of Christ, then we are called to be the Body of Christ, the Church today. And we are asked to be a missionary church. At the end every celebration of the Eucharist we are sent out with this great prayer of mission, let us go now to love and serve the Lord. If we share in the gift of Jesus' Body and Blood, then we are also asked to share this with others when leave church. Today on this wonderful feast, may each of us be fed, nourished and healed through the Body and Blood of Christ.

RESTORATION PROJECT

The next round of the Restoration Project has started. This will be the sixth consecutive year the Parish has been able to bring in the restoration team. This year, the restorers will finish the remainder three Saints on the East side of the church.

UPDATE: This week, the restorers worked on securing the peeling paint onto the walls. This process consists of steaming and gluing the peeling pieces. This is extremely important as Leduc's layers are amongst those

layers of paint flaking off the walls. Salvaging the peeling paint means salvaging the original art work.

Thank you, lectors!
