

## St. Andrew's & Church Hill United Methodist Church team up again for City Reach

### City Reach Mission Wish List

CityReach is an overnight urban outreach program begun in March 1996 for youth (with accompanying adults), young adults, and college students from churches of any denomination. The program gives these young people the opportunity to learn first-hand about homelessness from people who have experienced it. During the 20 hour outreach program, participants join CityReach staff in street ministry and offer hospitality, food and clothing. This is followed by times of sharing and reflection. **This is the Church Hill youth group's 10<sup>th</sup> year participating in this mission project on January 10 & 11, 2020.** The group can use support by donations of the following items. As you clean out your closets or shop for the holidays, please keep them in mind.

#### **Suggested used clothing items: (clean without any rips or holes)**

- Warm coats for winter (please, no dress coats)
- Sweat shirts and sweat pants (especially hooded sweatshirts)
- Sweaters
- Baseball hats
- T-shirts
- Long-sleeve shirts
- Jeans, khakis and other casual pants (80% for men)
