

# Fit For Work dashboard

The new fit for work dashboard will be available to all employers beginning April 2, 2022.

## How do I access the dashboard?

Employers with MyWCB **Claims Administrator** role access can view the dashboard right from LCR.

- Go to [www.wcb.ab.ca](http://www.wcb.ab.ca) and log on with your UserID and password.
- Go to the **My Claims and Costs** tab and click on the **Request Claim and Premium Reports** link.
- Select **Fit for Work**.

## What do you need to know about the FFW dashboard?

This new tool provides you with the information you need to collaborate and confirm modified work opportunities. Information is refreshed daily, and employers are able to view current physical capabilities reporting to help plan for a timely and successful return to work.

The dashboard is intuitive and easy to use. Everything is just a “click” or a “right click” away.

Questions about the dashboard? The “About” and “FAQ” tabs within the dashboard provide additional detail on features and data definitions.

- Claims specific questions? The current claim owner and their phone number has been included within the dashboard for easy reference.
- For technical support, contact eBusiness Support at **1-866-922-9221** or [ebusiness.support@wcb.ab.ca](mailto:ebusiness.support@wcb.ab.ca).

Provides fitness information at a glance

Data is refreshed daily
