Your Partner in Alberta OHS Education

what is AMHSA?

- Founded in 1990, our association is an educational non-profit organization that promotes the knowledge of health and safety in the workplace.
- Our mandate is to provide all Alberta municipalities and small businesses with cost-effective OHS education and customer-focused training.
- We provide over 150 online and on-site classroom training health and safety courses!

why choose AMHSA?

- AMHSA employs knowledgeable employees and subject matter experts eager to work with you and help build your health and safety management system.
- We partner with municipalities and similar organizations big and small, to implement, evaluate, and maintain their health and safety management systems.
- Access to classroom and online training that is cost-effective and available throughout Alberta.
- We develop a variety of relevant classroom (onsite) and online courses based on industry needs.
- We have more than 150 easy-to-use online courses accessible 24 hours a day.
- AMHSA works with a variety of experienced OHS instructors and subject matter experts.
- We are the Certifying Partner in the Partnerships in Injury Reduction (PIR) program for Alberta's municipal government sector.
- We are your source for up-to-date information on Alberta OHS legislation and government policies which impact our members and associate members.
- Attend one of our regular Safety Council meetings throughout the province or via live Zoom.
