

ADVANCING EFFECTIVE STORMWATER
MANAGEMENT & EROSION CONTROL

Individual Membership Renewal Form

About MECA?

The Minnesota Erosion Control Association (MECA) is dedicated to helping members address challenges caused by erosion. We promote effective erosion and sediment control practices and encourage their use across communities and industries.

Why Become or Renew Your Membership?

Membership in MECA connects you with hundreds of professionals specializing in erosion control, stormwater management, and natural resource protection, while fostering meaningful relationships with others who share your commitment to protecting the environment. As a member, you also enjoy exclusive discounts on all MECA events—including our annual conference—making participation both valuable and rewarding.

You also receive discounts on all MECA events—including our annual conference.

Membership Fee \$60 Per Person. Membership Term: January 1 – December 31 (calendar year)
