Spirit of the Retreat:

What does it mean to “become like children?” Our spiritual sessions will be spent pondering this question. We will pray and play together in the spirit of building community, with as much time outside as weather permits! This will include Mass, Adoration, Confessions, and shared meals and activities.

A Spiritually Deep, Glorified Campout!

St. John Vianney is located on Vashon Island and requires ferry transportation. You will need a tent and any other sleeping arrangements that will make your personal campout enjoyable! There will be limited indoor sleeping arrangements available on the floor of the parish office if requested, but will require personal sleeping gear,
