Attendee Engagement

Your company's participation as a sponsor or exhibitor at this event will provide an excellent opportunity to share program, products, and service information with key rural stakeholders and health care provider organizations. A networking reception, breaks, and prize drawings will be held during the conference to ensure that all exhibitors receive maximum networking opportunities. See the Exhibitor Schedule for opportunities to engage with attendees. Attendees will be provided a exhibitor engagement card that will need to be completed and submitted in order to be entered for the door prize drawings. Exhibitors and sponsors in attendance at the event are invited, but not required, to donate a prize to be provided to attendees. The provider of each prize will be recognized when winners are announced during event closing. If a Networking Social Sponsor is identified, exhibitors will also be provided with drink tickets to hand out to attendees during the Networking Reception.
