Dear Families,

Girls Inc. of Carpinteria updated its monthly fee schedule to better streamline and support our families by having a flat monthly rate for our after-school program that INCLUDES holidays. Switching to a monthly rate eases the burden of varying fees making it easier for you to budget. Overall, it is also cost saving to families of just under \$200 per year.

- Fees are due in advance and paid monthly, whether your child attends or not. Any schedule change should be discussed and approved with the Program Director at least one month in advance.
- Families are required to give one month's notice when leaving the program.
- For balances exceeding \$300, the family is subject to termination. A notice will be sent to the family with notification of non-payment of fees. A payment plan or trade-for-service options are available should the family require additional financial assistance. Failure to follow the payment plan will result in immediate termination from the program.

Please see our parent handbook for acceptable payment methods and associated fees. If you have any questions please do not hesitate to visit or call our office, 805-684-6364.

Thank you,
