Advent Devotional “Roots: Advent and the Family Story of Jesus” by Dan Wilt \$10

“We all come from someone, somewhere, and something—a people, a place and a story. In this 25 day devotional, we discover that Jesus comes from the family vine of the great King David, the son of Jesse, and from a long line of faithful men & women. A Jesse Tree is an approach to the preparation season of Advent, leading us to Christmas, that encourages us to revisit stories from the Hebrew Bible to help us gain insights into the family line of Jesus and the spiritual mandate of the child born to save the world.”

Devotionals go on sale Sunday in Fellowship Hall, between services and in the church office during the week.
