

VOLUNTEER FAQs

- **I would like to sign up as a volunteer for the 2021 Little Rock Marathon. When will volunteer opportunities be available?**

The opportunity to register as a volunteer for the 2021 Little Rock Marathon will open in August.
- **What is the age requirement for volunteers?**

We require that all volunteers be 16 years of age or older on the day they are volunteering. A parent/guardian must agree to the volunteer waiver for volunteers between the ages of 16 and 18 years of age. Children and young adults under the age of 16 are not permitted to accompany registered volunteers who meet the age requirement when they are volunteering at the Expo or on race day.
- **Will event attendees be required to adhere to specific coronavirus (COVID-19) guidelines?**

We are working closely with the City of Little Rock, including the Department of Public Health, to provide a safe and enjoyable race weekend experience for all event attendees. Preparations for the event will align with local and state coronavirus (COVID-19) guidelines. We recognize guidance is likely to change between now and November. For this reason, the event will provide specific guidelines to registered participants in the months and weeks leading up to race weekend.
- **When will you share more details about what event attendees can expect for the 2021 Little Rock Marathon (requirements, mitigation efforts, operational changes, etc.)?**

We are committed to sharing event plans in a measured way to ensure our updates reflect what you will see race weekend. Our team is developing operational plans for various scenarios. We anticipate having more specific updates about race weekend later this summer when we have a better understanding of the environment the event will operate in.
