

FAITH LUTHERAN CHURCH IN-PERSON WORSHIP CHECKLIST

We are open for Worship! Please review the complete Reopening Plan, in preparation for the start of our Sunday time together. We are planning our door opening for Sunday, August 30, at 9:00 a.m. Please note we are only planning one service initially and will review the need for further services as time goes on. We will also have an online worship option available for our members and guests.

Feel free to use the following checklist as you prepare to attend the service. This does not replace the complete Reopening Plan but can be used as a handy reference.

- Doing your part as a parishioner.** Make a reservation to come to church. Make sure you and your family members do not have any symptoms of the virus and follow the rules below. Read the complete Reopening Plan. All in-person worship service attendees should prescreen before leaving for church.
- Reservations must** be made online or by calling the church office at (941) 924-4664.
- A facemask must** be worn from the time you leave your vehicle to church and then back to your vehicle.
- Entering and leaving church:** Upon entering you will have a forehead temperature check and your reservation will be verified. If acceptable you will be guided by the ushers to your seat. Entering will be seated from the front of the church to the back. Dismissal will be done from the back to the front.
- Seating** location will **not** be an option due to social distancing. Ushers will show you to your seat.
- The sanctuary, narthex, and restrooms** will be sanitized prior to the service to minimize risk to attendees.
- The service** will be a service of the word. Collection will not be passed and offering plates will be located at the back of the sanctuary, as you enter.
- After the service do not congregate** in the narthex and go immediately to your vehicle!
