

Journey with Purpose

People sense deep down
that there is more to life
than making money
and paying bills.
Some reach a point
in life
when all seems
dry and barren
food loses savor
dawn loses pleasure
extreme experiences entice
But even these
do not suffice.
shopping
planning
acquiring
we discern
only temporarily satisfy
Humans of all ages
find themselves
thirsting
for the reality
underlying reality
It is a thirst
That will not be quenched.
and, often
we search for the key
in all the wrong places
while patiently
God
waits.
