Dear Sisters and Brothers in Christ,

I pray that this letter of update finds you and your loved ones well.

Our church family gathers for worship at 9:00AM during the Summer months. Please join us for Word, Sacrament, and Fellowship.

The Church Council has recommended that Faith Lutheran Church, Sarasota eliminate Covid 19 restrictions for worship. Persons with medical conditions or those uncomfortable with this recommendation may feel free to wear a mask.

Our Faith Early Learning Center will continue following CDC guidelines until instructed otherwise. Therefore, masks are required in early childhood program space.

Weekly, congregational email, Friday Updates are available upon request, which include worship notes, programs, and events. You can also access our Sunday worship via the internet. You will find a link in the Friday Update and on our website, www.faithlutheransrq.com. We welcome home those who have been distanced from in-person worship, and those who have moved into the area and would like to establish a church home.

We are transitioning from a unique, historical time of pandemic that has taken an emotional, physical, and spiritual toll on our life in church and community. We, by the grace of God, are resolved to Move into the Future with Faith, to reclaim our legacy and bear witness to the abundant resurrected life that is ours in Christ.

I am available for Pastoral counsel and care. You may contact me through Tami, Operations Manager, at the church office, 941-924-4664 or officeadmin@faithlutheransrq.com.

In the Love of our Lord,

Rev. Robert Mursch, Pastor
