This material was prepared by Telligen, the Quality Innovation Network National Coordinating Center, under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services. The contents presented do not necessarily reflect CMS policy. 11SOW-QINNCC-02680-05/14/19

On this call, we will review how Quality Innovation Network-Quality Improvement Organizations (QIN-QIOs) have addressed disparities during the QIO Program's 11th Scope of Work (2014-2019) and reflect on what we have learned from National Disparities Learning and Action Network Events. Join us to consolidate your learning, celebrate successes, and share your thoughts about future directions to address disparities in the QIO Program and beyond.

LEARNING OBJECTIVES:

Following this event, attendees will be able to:

- Describe approaches for and examples of QIN-QIOs addressing disparities
- Discuss results and limitations to date
- Discuss possible future directions for addressing disparities in the QIO Program and beyond

This event is open to beneficiaries, families, healthcare providers, practitioners, partners, and Quality Innovation Network-Quality Improvement Organizations.
