

Flu Shot locations in Madison County

As of 10/27/2020

It is more important than ever that everyone aged six-months and older receive a flu vaccine to stay healthier this fall/winter. *It is recommended you contact your healthcare provider first to schedule the flu shot.* Also, check with your employer to see if they are scheduling any onsite flu clinics. Below is a list of some additional flu shot locations in Madison County. Call ahead to make sure the vaccine is still available.
