SPECIAL EVENT PERMIT APPLICATION INFORMATION

1. INSURANCE REQUIREMENTS FOR SPECIAL EVENT PERMITS

As required by § 2-14 of the City Code, you must carry public liability, bodily injury, and property damage insurance which covers the property to be used and identifies the City of Troy as an additional named insured. A Certificate of Insurance must be submitted to the City Clerk at the time of application and before any use of City property. Your Certificate of Insurance must name the City of Troy as an additional insured and must show liability coverage as follows:

Comprehensive General Liability

| | |
|---|-------------|
| Each Occurrence | \$1,000,000 |
| Aggregate | \$2,000,000 |
| Products and Completed Operations | \$1,000,000 |
| Products and Completed Operations Aggregate | \$2,000,000 |
| Advertising and Personal Injury Liability | \$1,000,000 |

If alcoholic beverages are served or sold, add:

| | |
|------------------|-------------|
| Liquor Liability | \$1,000,000 |
|------------------|-------------|

Depending on the type of event, at the discretion of the City of Troy you may be required to add:

| | |
|--------------------|----------------------------|
| Umbrella Liability | \$1,000,000 to \$5,000,000 |
|--------------------|----------------------------|

2. ALCOHOL SALES/CONSUMPTION ON CITY PROPERTY

In order to serve, sell, or consume alcohol on City property, you must get a permit from the New York State Liquor Authority at <https://sla.ny.gov/permits-available-online> or contact the NYS SLA Licensing Department by phone at 518-474-3114 (press "1", then "3" for licensing) or by email at Licensing.Information@sla.ny.gov. As part of your NYS SLA permit application, you will need a permission letter and waiver of the open container law from the Deputy Mayor. These will not be provided until your Special Event Permit application has been approved.

3. FOOD PERMITS

Anyone who is preparing, processing, or cooking food on site must hold a Mobile Food Vendor Permit or One-Day Food Vendor permit from the Rensselaer County Department of Health. They can be reached at 518-270-2711 or 518-270-2655, or via email at mgwynn@rensko.com.

4. VENDORS

If a business already operates in Troy, it still needs a One-Day Vendor Permit or Vendor's License to vend on City property as its insurance only covers its place of business, not City property. If a business vends at other events in Troy, such as the Farmers Market or Troy BID events, it still needs to submit a One-Day Vendor Permit application for your event. Only vendors who hold a Vendor's License for the current year from the City Clerk's office are exempt from this requirement. Vendor's Licenses are numbered consecutively by year; for example, VEN-2019-1.

If other businesses or organizations are tabling at your event, you may elect to cover them under your permit and insurance. In that case, they must be named as additional insured, along with the City of Troy, on your Certificate of Insurance.

5. FIRE/EMS COVERAGE

If anticipated attendance is greater than 5,000 people, NYS law requires Fire/EMS coverage and a NYS Part 18 Permit. For information, see: <http://www.health.ny.gov/professionals/ems/part18.htm>. The application can be found at: <https://www.health.ny.gov/forms/doh-44.pdf>
