WHAT IS THE SERVICE PROJECT:

LATLC will again be part of the opening ceremonies of Buddy Ball, a baseball league in Long Beach for special needs children. WHO THEY ARE:

Buddy Ball is for boys, girls and active adults with intellectual and/or physical disabilities that have the desire to play organized, non-competitive baseball. Each player is assigned a "Buddy" that assists with playing the game. It is designed to give children dealing with any type of disability or special need the chance to play ball and grow socially
