A note from the Coalition Director

This year with our nation combating the triple crises of a health pandemic, racial injustice, and economic uncertainty, Community School Coordinators have been more essential than ever for coordinating resources and relationships needed to address exacerbated inequities. During September 21st – 25th the Coalition for Community Schools and the Institute for Educational Leadership (IEL) will kick-off the 4th annual Coordinators Appreciation Week (CAW) to raise awareness of the power of Community Schools and their essential hero, the Coordinator.

The Community School movement has grown across the country and internationally to include more than 5,000 schools. Community School Coordinators work diligently to create and manage the partnerships that allow students to learn and thrive, and their work is the key to successful implementation of the Community School Strategy. Community School Coordinators create a strong, purposeful bridge between schools and communities, and it is their hard work that push this movement forward. They deserve recognition and appreciation for all the work they do, especially in these unprecedented times.

Will you help us honor Coordinators across the country for the work they do daily to support our students and families? As partners, we encourage you to work with your network of friends and affiliates to acknowledge and thank Community School Coordinators. Start gathering stories now and get ready to share by using the hashtag #CoordinatorsRock during Coordinators Appreciation Week and beyond. Feel free to reach out to me if you have any questions!

How to get involved

The Coalition invites everyone—schools, districts, community school initiatives, community partner organizations, lead agencies, and state and national organizations—to become a Coordinators Appreciation Week Partner. Sign up to celebrate Community School Coordinators during the 2020 Coordinators Appreciation Week (CAW). Coordinators are the heart behind the community schools movement, advancing our values of equity, democracy, and harmony, and we’re proud to celebrate and recognize them for these important contributions.

By signing up as a CAW Partner, you and your organization are pledging to do the following:

- Participate in CAW by celebrating Community School Coordinators,
- Work with and encourage students, families, school staff/leaders, community partners, districts, city, county leaders, and others to acknowledge and thank Coordinators,
- Post to social media at least once a day during CAW using the hashtag #CoordinatorsRock, and
- Request recognition of CAW (i.e., proclamation) from your Superintendent, Mayor, school board, county executive, and/or other elected officials.

Thank you in advance for becoming a Coordinators Appreciation Week Partner. If you have any questions, please email ccs@iel.org.

**Tips on how to post a video**

**Who should film a video?**
Anyone! We want to hear from all who have been positively impacted by their Community School Coordinator including students, families, teachers, principals, district leaders.

**What to say in the video?**
Tell us a story about how your Coordinator has made a difference. How have they impacted their students and families, especially since the pandemic began? How have they changed the school culture and climate? How have they worked with teachers and principals to better support the work they do? How have they impacted the community beyond the school walls?

**Filming pro-tips**
- Film horizontally
- Prop your phone or camera on a stand or stack of books to keep the frame steady
- Create good lighting. Shoot with the person facing a window or light source to avoid backlighting.
- Do NOT zoom in. Instead, move your phone closer.

**Posting your video**
Share your video on Twitter, Facebook, or Instagram using #CoordinatorsRock. The Coordinators with the most moving videos will be featured by the National Community School Coordinators Network in a future Coordinator Spotlight.

Request a proclamation

Request a proclamation or resolution from your governor, mayor, county executive, superintendent, and/or school board to recognize Coordinators Appreciation Week. Here is how to request a proclamation:

1. Share this sample proclamation language with your mayor, governor, or local elected official to recommend a week-long celebration of Coordinators Appreciation Week.
2. If you have not heard from your local leader’s office within two weeks, reach out to them again and share resources on the importance and impact of community schools.
3. Once proclaimed, celebrate on social media with the hashtag #CoordinatorsRock to let us know your community is part of the celebration!

**Pro-tip: Your proclamation request will have more power with more people behind the request. Work with other community schools or partner organizations to put a request together.

Outreach to local media

Sending a press release

Send a press release to share with your local media. We encourage you to send it out the morning of Monday, September 21st as the Coalition and our Co-Host and Champion organizations will all be sending a press release out at the same time.

Pitch your coordinator story to local media

Crafting an effective pitch to the media is an important step in any successful campaign. The Coalition wants to celebrate the work of Community School Coordinators, because they create, strengthen, and maintain the bridge between the school and community. That’s why the Coalition wants local and national media to be aware of your Coordinators. Here are a few tips and tricks to engaging with your local media:

- Email subject line must grab attention | Lead with results or impact
- Address the why | Make sure you have a strong argument as to why your coordinator should be featured in the news
- Got data? | Make sure you include data or stats if possible
- Show impact | What have they changed as a result of their impact?
- Be timely | Send pitch two weeks before a campaign or event
Using the example of a Coordinator who has helped keep their school open by increasing attendance and decreasing student mobility, below are four sample media pitches to help you land an interview and become a media influencer:
