

**Kid's Church at CCUM is "gearing up" for another fantastic year!**  
**One Service at 10 am beginning on September 8th, 2019**

**What a blessing it has been to see your children worship the Lord, to dive into His Word and to gather each week with new and old friends here at Christ Church. We, your CCKC teaching staff, are so honored that you have entrusted your child to us...what a privilege! If you are new to our church family, here is the "why's" and the "how's" of what we do... We will continue to use the "Orange" Curriculum here at Christ Church...**

- **Why is it called orange? Since orange (the color) is made from yellow and red, Orange (the curriculum) will combine the light of the Christ (yellow) with the love of the family - Home and Church (red).**
- **Why bring the family and church together? The church only gets about 1 hour a week with students, so parents and guardians have more time and influence on their children's spiritual life.**
- **What else does this orange curriculum value? This strategy also values small group leaders. We want children and youth to have someone other than a parent to trust, to care for them, and to reiterate the same things they hear at home. The "teachers" aren't called "teachers" but "small group leaders;" adults who love and truly care about your child!**
- **Where will my child go each Sunday? As you enter CCUM you will bring your child directly to their classroom:**
  - **CLUBHOUSE - Pre-K will be in the downstairs north wing (new wing)**
  - **KID'S CITY - K through 5th**
  - **K-1st will be in the downstairs south wing (south wing)**
  - **2-3rd will be in the upstairs left classroom of the north wing**
  - **4-5th will be in the upstairs right classroom of the north wing**
  - **Ignite Youth Group 6-12th grade Contact person - Pastor Chris Polzella (chrisspolzella@gmail.com) MS + HS meet in the upper room (look for the stairs just opposite the left sanctuary doors) for a large group video series and then will "break out" into their small group.**
- **What will Kids Church look like each week for my child? Your child will be in their classroom for the first ten minutes each week to be checked in by their small group leader and to greet their friend...and perhaps play a round of foosball. Each group will then head to fellowship hall for a large group experience where they will worship together and be taught God's Word via a creative video series put out by ORANGE**
- **CCKC Overseer: Ellen DeVeau**  
**After 20-30 minutes, each group will then return to their classroom with their SGL to "unpack" the lesson for the day.**
- **How can I help? If you were registered anytime from 2014 to the present, then we rolled over your registration. If not, prior to dropping off your child to their small group location, please stop by the Kids Church Office (N.wing) and register your child.**
