ECQG President's Quilt 1982

The President's Quilt has been a tradition in our guild since the very beginning. In our first year, members made and presented these signed basket blocks to our founding president, Alice Berg. She then turned it into a beautiful finished quilt using a traditional on-point setting and her favorite reproduction fabrics. Alice has recently downsized her living space and gratefully donated this quilt to us. If you win this quilt, you are taking home a true piece of guild history.

ECQG President's Quilt 1991

In 1991, Alice Berg served a second term as Guild President. In gratitude, members were asked to select their favorite block and complete it using red, white and blue fabrics. The makers signed their blocks, and then worked together to assemble this patriotic sampler quilt. Alice has recently downsized her living space and gratefully donated this piece of Guild history to us. If you place the winning bid, you will have a treasured quilt to add to your collection.

Dresden Plate Quilt

Robin Meyer assembled and quilted these beautiful Dresden Plate blocks made by a friend's grandmother, Mabel Cato Moore. Mabel lived in Butts and Lamar Counties, Georgia, and passed away in 1955. Judging from the fabrics, the quilt was probably made in the 1940s.

Dresden Plate Quilt Top

The Dresden plate blocks are made from circa 1940s fabrics, and are hand appliqued onto a muslin foundation. Sashing and border appear to have been added at a later date. This top is ready for you to finish by hand or machine.

This beautiful vintage quilt is completed using blackwork embroidery. We estimate it was completed in the 1910s.

Vintage Four-Patch Quilt

A traditional four-patch quilt in scrappy shades of blue and white – what's not to love! The circa 1890 conversation prints, along with the cobalt blue border, creates the perfect contrast against the white background.
