

BACKGROUND SCREENING & INVESTIGATIONS

Our Reports Reveal:

- Potentially Violent or Illegal Behavior
- Demonstrations of Racism or Intolerance
- Sexually Explicit Behavior

Social Media Hiring Reports:

We provide a FCRA compliant background check that discovers a candidate's online presence. Our reports present actionable adverse information on a potential candidate, allowing companies to make better informed hiring decisions while protecting them from unnecessary risk.

"They provided us with a standardized, arm's-length way of using this additional information to make better hiring decisions."

Dave Clark, President of Impulse Advanced Communications

Benefits of Social Media Screening:
