Maribeth Martino
Investigations Manager
SSC, Inc.

Two professional firms joining to make one memorable presentation.

Maribeth Martino and Nick Daukas come together to share their experience in human resources, hiring compliance and business operations.

Nick Daukas
Managing Partner
KardasLarson, LLC

Please join us for this educational event highlighting today's hiring and background screening process. This program is designed to dispel common myths, explore technological advancements, best practices and identify legal pitfalls potentially impacting your firm.

Who Should Attend?

- Companies or organizations of any size seeking to begin or revise a background screening program
- Company leaders staying abreast of hiring best practices
- HR professionals and hiring managers assessing legal hiring risks to their organizations

Topics Covered:

- Do's and Dont's in the recruitment process
- Advanced investigative research technologies
- Re-thinking outdated company policies and procedures
- Recent legal trends including medical marijuana, "Ban the Box" and social media screening
