WEEK 10
HOME CRAFTING GUIDE

We're still here for you.

As we continue to practice social distancing, we've pulled together another list of our current favorite classes on the site. We want to continue to be a resource of creative inspiration as we get through these long days and hope you'll take some time to start a new project or two. Thanks for being a part of the Creativebug community!

Remember... *You're more creative than you think!*
