

The background is a soft, abstract watercolor wash. It features a mix of light pink, pale orange, and very light purple tones, creating a textured, painterly effect. The colors are blended together, with some areas appearing more saturated than others. In the top right corner, there is a small, dark, circular mark, possibly a hole or a smudge.

WEEK 3

HOME CRAFTING GUIDE

creativebug®

At home all day? We're here for you.

We know this is a tough time for many of us around the world and it's hard not to feel anxious and overwhelmed. To help you get through the long days, we invite you (and your loved ones) to craft with us! We've curated our favorite classes to help you center your mind, start a new hobby, keep your hands busy, and get lost in your own creative headspace – even for just a few minutes. And for those who are home with young ones, we guarantee this is screen time you can feel good about.

Remember... *You're more creative than you think!*
