HOME CRAFTING GUIDE

creativebug®

At home all day? We're here for you.

We know this is a tough time for many of us around the world and it's hard not to feel anxious and overwhelmed. To help you get through the long days, we invite you (and your loved ones) to craft with us! We've curated our favorite classes to help you center your mind, start a new hobby, keep your hands busy, and get lost in your own creative headspace – even for just a few minutes. And for those who are home with young ones, we guarantee this is screen time you can feel good about.
