Online Art Auction to Support Folkstone Manor

Buy a gift. Build a home.

Are you shopping for client gifts? Do you need to show appreciation for a referral or job well done? Here is a way you can make your dollar work harder, and perhaps even deduct the expense.

We are very excited to announce our first-ever virtual fundraiser, **Deck the Halls 2020** – an online art auction. Over 25 pieces have been donated by artists and others in a variety of price points, from cheese board to quilts, longboard to one-of-a-kind pencil drawings, and everything in between! We are very honoured with the support shown by the arts community.

Ways to Show Support:

- Share the flyer and event with your network,
- Share on social media and encourage others to do the same,
- Attend the open house on Sunday, November 15th at the Stony Plain Legion Hall, and of course,
- Bid!

Funds from this auction support our capital campaign for Folkstone Manor, affordable housing for seniors and veterans (55+). With gift giving season upon us, this is a perfect opportunity to increase the value of your purchasing dollars. **Buy a gift. Build a home.**

We are grateful for the network of community businesses and appreciate any support you can provide.
