On behalf of the Greater Parkland Regional Chamber of Commerce, I would like to wish our members, partners, and all the businesses in our tri-region a Very Merry Christmas and a Prosperous New Year!

The newly unified Chamber deeply appreciates the incredible support we have received from all of our stakeholders and community leaders during our inaugural year. We believe that a thriving business community lays the foundation for success in maintaining a vibrant social community. As the Regional Chamber of Commerce representing over a thousand businesses, our goal is to have strong, established representation throughout the area, one that is properly illustrative of the entire make up of Parkland County.

We have benefited from strong respectful relationships with the municipalities of Parkland County, Spruce Grove, Stony Plain, and Wabamun. Each have been very supportive of our regional unification and we continue to grow our relationships in a positive and meaningful way.

Without question, this has been a very challenging year for most. On the other hand, we have seen some businesses experience remarkable growth which is very encouraging to see. Through support, collaboration and innovation, we have built a more resilient foundation to help carry us through to 2021 and beyond.

During this Holiday Season, please take a moment to reflect and recharge as we say goodbye to 2020 and welcome 2021 with renewed strength and vigour.

Happy Holidays!

Richard Wong

Chair, GPRC
