Safety Solutions
TO COMBAT COVID-19

Critical safety products and communication materials to protect employees and visitors against COVID-19

HELP PREVENT THE SPREAD OF COVID-19

WASH YOUR HANDS

Sterling Shield
PLASTIC FACE SHIELD

Sterling Shield

The FS2500 Sterling Shield is a comfortable and functional plastic face shield that offers full coverage of face, neck, and hairline, against splash and splatter. Comfortably worn over prescription eyewear or safety goggles, face or surgical masks, or other PPE including N95 masks.

This multi-use PPE face shield is also cost-effective compared to single-use shields.

Strong easy-to-use adjustable headband makes for a custom and secure fit and is made from food grade polymer that does not absorb bacteria.

Made from waterproof materials to easily clean with warm soapy water or disinfecting wipes - no absorbent materials such as foam, fabric, or elastics.
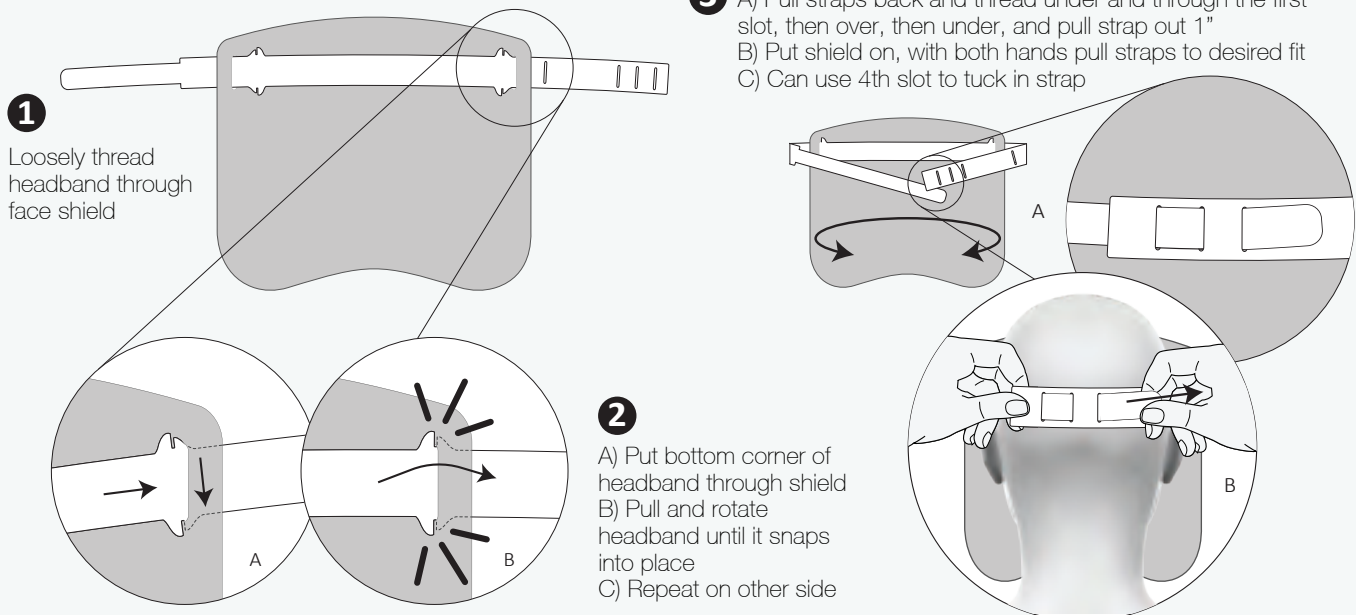

DISCLAIMER:
Face shield intended to be worn with PPE and is not rated for impact or high heat. Do not use for protection against chemicals, hazardous substances, or light. This device has not been tested or qualified to prevent or reduce infection, and does not provide particulate filtration. This non-sterile device has not been disinfected or cleaned. Replace if cracked, pitted, or heavily scratched.

Part #	Size	Quantity	Price
FS250010	13.5"W x 9.5"H	Box of 10	$119.95

How it Works

1 Loosely thread headband through face shield

A

B

2
A) Put bottom corner of headband through shield
B) Pull and rotate headband until it snaps into place
C) Repeat on other side

3 A) Pull straps back and thread under and through the first slot, then over, then under, and pull strap out 1"
B) Put shield on, with both hands pull straps to desired fit
C) Can use 4th slot to tuck in strap

A

B

Face Shield	Acrylic 0.030", clear, 13.5"W x 9.5"H (34W x 24H cm)
Headband	Food-grade polymer, white, 28"W x 1.6"H (71W x 4H cm)
Weight	0.22lbs (100g), 1 face shield + 1 headband
Size	One size fits most, head circumference 18.5" - 25.5" (47 - 63 cm)
Cleaning	Clean with warm soapy water or disinfecting wipes. Avoid alcohol.

Counter Partition
SNEEZE GUARD FOR DESKS & COUNTERS

Counter Partition
Our transparent hygiene sneeze guards reinforce social distancing, while helping to protect front-line employees and customers against the potential spread of germs. Available with acrylic feet to easily stand on countertops for portability and quick installation with no tools required. Options also include holes on top for hanging.

DISCLAIMER:
Counter partition intended to be used in combination with PPE and is not rated for impact or high heat. Do not use for protection against chemicals, hazardous substances, or light. This product has not been tested or qualified to prevent or reduce infection, and does not provide particulate filtration. This non-sterile product has not been disinfected or cleaned. Replace if cracked, pitted, or heavily scratched.

Signage Substrate Materials
FOR WALLS, WINDOWS & FRAMES
Choose from a variety of templates!

PVC Plastic Signs

1/8" PVC. Perfect for wall signs or hanging signs. With a fine pebbled finish, PVC is a more refined alternative to Coroplast. It's also ideal for easel and display signage.

Indoor/Outdoor smooth material, easy to clean, durable & rigid. Double sided add 50%.

Part #	Size	Quantity	Price
DV1212	12" x 12"	1-9	$26.99
DV121210	12" x 12"	10-24	$18.99
DV1218	12" x 18"	1-9	$36.99
DV121810	12" x 18"	10-24	$25.49

More sizes and quantities available by quotation.
Choose from sign templates on pages 9 to 20 or provide your own artwork.

Not limited to example template shown here. This product is available for all templates or custom artwork.

Coroplast Plastic Signs

Indoor/Outdoor Lightweight plastic, slightly corrugated ridges, 1/8'' thick, outdoor use 3 to 12 months. Double sided add 50%. Frames and Step Stakes sold separately.

Part #	Size	Quantity	Price
DC1212	12" x 12"	1-9	$18.95
DC121210	12" x 12"	10-24	$13.49
DC1218	12" x 18"	1-9	$24.99
DC121810	12" x 18"	10-24	$16.49

More sizes and quantities available by quotation.
Choose from sign templates on pages 9 to 20 or provide your own artwork.

Not limited to example template shown here. This product is available for all templates or custom artwork.

0.020" Styrene Plastic Signs

A great alternative to posters as they are much more durable and last longer without requiring laminate. They can be rolled up and then mounted directly on a wall or inserted into a poster frame.

Lightweight, durable, flexible and easily transportable. Smooth bright white finish that is suitable for indoor and outdoor use. Double sided add 50%.

Part #	Size	Quantity	Price
DS21212	12" x 12"	1-9	$19.95
DS2121210	12" x 12"	10-24	$17.96

HELP PREVENT THE SPREAD OF COVID-19

WASH YOUR HANDS OFTEN
Wash your hands with soap and warm water, for at least 20 seconds use an alcohol-based hand sanitizer

AVOID TOUCHING YOUR FACE
Avoid touching your eyes, nose, and mouth. Avoid close contact to those who are sick.

STAY HOME
Slow the spread. Stay home if you can! It's the best way to protect yourself and our most vulnerable citizens.

COVER YOUR COUGH/SNEEZE
Cover your mouth and nose with a tissue or your sleeve when coughing. DO NOT sneeze or cough into your hands.
