**Mission: Identify people with opioid addiction in financial need and help fund long-term treatment to promote lasting recovery. Support, educate and encourage families of those with opioid addiction.**

100% of the proceeds from the Play It Forward Doubles Tennis Tournament will go to funding the long-term treatment costs of local CNYers with opioid addiction. It costs an average of \$20,000 per person for the 90-day in-house treatment and 90 days of sober living and coaching in Austin, TX. R2RCNY includes travel expenses and other medical treatment costs, bringing costs closer to \$25,000 per person. In the 12 months since Darlene and Tim Endy started R2RCNY, 15 people have become sober through the program.
