Setting the Stage

“Setting the Stage” is a unique opportunity to see the Broadway play, “Rent”, a musical based on Puccini’s ‘La Boheme’, about a year in the life of friends in East Village, New York City who are dealing with the challenges of HIV and drug addiction. During this event you will hear from key community members who are working on these challenges in CNY. including Road2RecoveryCNY co-founder Darlene Endy. Amuse-bouches will be offered before the play by popular Syracuse chefs, and desserts and coffee will be provided at intermission.

A Message from our Founders, Tim and Darlene Endy:

We started Road2RecoveryCNY out of gratitude for our own son’s recovery from heroin addiction. We wanted to bring hope and healing to CNY, and began by telling our story to help stop the stigma around mental illness and drug addiction. Our mission is to save lives, one at a time, and we do this by identifying people in CNY with opioid addiction in financial need and helping fund long-term treatment to promote lasting recovery. We also support, educate, and encourage families of those with opioid addiction. We may not be able to end the heroin epidemic, but we can do more, with your help, in Central New York.
