# TEA MARKET

www.teamarketonline.com

Open Monday through Saturday: 10 - 5 & Friday: 10 - 6 & Sunday 11 - 4

Menu of premium, whole-leaf, specialty, all-natural teas orthodoxically produced,  
sustainably grown from the finest tea growing regions of the world

**Black Tea:** Fully oxidized leaves produce a hearty, deep, rich flavor in an amber to dark brown colored infusion. It is the oxidation process (oxygen coming into contact with enzymes in the tea leaf) that distinguishes black teas from all other teas. These orthodox whole leaf teas differ greatly from teas produced for tea bags. The soil and climate conditions that vary from region to region contribute to the unique characteristics of each varietal. Lots of fruity and flavored teas, too!

Steep 1-2 tsp. leaves in 8oz 212° water for 3-5 minutes.
