UNIVERSITY of SOUTH FLORIDA
Morsani College of Medicine

MD Career Advising

Class of 2023,

The next big step is MSPE.

The entire Student Affairs team is working very hard to get your MSPE ready. The next step for you will be to meet with your Assigned Dean to review your entire MSPE and write your final paragraph.

Please read the following carefully. The meeting with your Assigned Dean must be completed between August 8th and September 6th. There is unfortunately no extension past September 6th. Dr. Kothari will begin his MSPE meetings in late August.

To schedule with Dr. Mayer, please reach out to Ms. Shaterra
To schedule with Dr. Kothari, please reach out to Mr. David Anderson and Mr. Aaron Abreu
To schedule with Dr. Brannen, please reach out to Ms. Margie McCabe (Margaret_R.McCabe@lvhn.org)
To schedule with Dr. Zwygart, please reach out to Dr. Zwygart

For those specialties with early matches please reach out sooner than later.
There will be no same-day appointments.

After everyone's MSPE is completed, every student will have the same 24-hour window for a final review of their completed MSPE. This will be in early September. Student Affairs will then upload the entire Class of 2023 MSPEs to ERAS.

Please feel free to forward any questions.

Thank you,

James C. Mayer, MD
Assistant Dean, Clinical Curriculum & MD Career Advising
