Dear Laurie:

Thank you for helping those who serve – our military, veterans and their families. We appreciate your gift of $40,000.00 to Fisher House Foundation on December 17, 2020.*

A long-term stay in a hospital can lead to unmanageable burdens and expenses for family members who wish to be a part of their loved one's healing process. For military and veterans' families, Fisher House is there to help ease those burdens.

Senior Master Sgt. Richard Chwalik and his wife Erika, an Air Force veteran, were able to find much-needed support at Fisher House when their son, Jeremy, was born with Down Syndrome and two heart conditions that required immediate care. A few years later, when Jeremy was diagnosed with leukemia, Fisher House was again able to help ease the financial and emotional hardships that came with Jeremy's extended medical care and keep the Chwalik family together.

On any given night, the doors of Fisher House are open to more than 1,100 families. Please know that your generosity helps to provide a family, like the Chwalik's, with the gift of being together when faced with a medical crisis.

"Staying at the Fisher House, allowed our family to remain a family unit and see each other more frequently, which also helped Jeremy – he loves his brother very much!"
Erika Chwalik
U.S. Air Force Veteran

Sincerely,

David A. Coker
President

Thank you for this blessing!
