

### 3200 ATTENDEES ANTICIPATED HUNDREDS OF EVENTS WITH SEATS

The [NOVA Open](#) is one of the world's largest wargaming-focused events. This 10th Annual convention runs from August 28-September 1. With the event a few short weeks away, many of the nearly 300 events and seminars are sold out; however, there are a few organized activities still open for you to enjoy alongside everything else the con has to offer.

The NOVA Open presents its attendees with a fantastic opportunity to meet fellow hobbyists, get casual face time with some of the biggest names in the industry, shop an awesome vendor hall, eat from an amazing array of food trucks, socialize and enjoy live entertainment in the Foundation's Charity Lounge, learn from the best instructors in an array of awesome seminars, and play in a nigh-on endless variety of organized tournaments and gaming events. This article includes just a small sampling of the things you can do at NOVA Open, and while much of the con is sold out, there are hundreds of reasons you should still plan to attend.
