Dear NOVA Open,

Thank you so much for the incredibly generous donation to the Arlington Co. Police Dept. Friends and Family Fund. We know this year was filled with so many challenges for everyone, so we are truly humbled that you were able to make this donation. We are unable to do our traditional charity event this year so your donation will help us fill that gap. We are eternally grateful.

Also we are so thankful for your support of our police officers. We cherish that support, now more than ever, and appreciate your faith in us.

Always,

ACPD Friends & Family Fund
