WARHAMMER 40K: GRAND TOURNAMENT

NOVA Open EVENT LEADS
Providing News & Updates

12/15/2019:

350+ Players!

Last year's Warhammer 40,000 GT sold out in the FIRST HOUR of registration, after which we expanded to over 300 spots. Thanks to some careful games of Tetris and shifting of events around the convention, we're pleased to offer our largest GT ever at 350 spots. Based upon last year's registration, however, make sure you're ready to sign up on opening night or miss out on a spot ... Warhammer 40K is at the height of its popularity, with even the Las Vegas Open sold out at over 1,000 PLAYERS. Don't miss out on the chance to register when March 1 comes around!
