

From All of Us at NOVA Open and NOCF to All of You

June 1, 2019

NOVA OPEN:

Tabletop wargamers around the world know that NOVA Open is all about charity as it focuses on funding the efforts of the NOVA Open Charitable Foundation (NOCF). The convention's financial support makes it possible for the Foundation to have donated over \$210,000 to charities since 2013.

NOVA OPEN LEADS:

Game and Event Leads at the NOVA Open often create fundraisers in their halls. Marc Raley is famous for coming up with ideas to raise money during the convention, but he also designs the NOVA Heresy t-shirts every year. All net proceeds from those shirts are paid directly to NOCF.

VOLUNTEERS & ATTENDEES:

The support and generosity of our all-volunteer staff, amazing sponsors and donors, and incredible attendees makes this possible. Many volunteers work year-round serving on the Executive Board, chairing committees, planning and running events, and showing up at social-work events. NOVA Open attendees add cash donations when they check out of the store, participate in the NOCF fundraisers, and drink for charity at the Foundation Lounge

SPONSORS & DONORS:

Sponsors and donors provide product for the raffles and silent auction, and monetary donations to support the lounge and the expenses of the organization. Keg Nights in the Lounge are sponsor-driven and have a significant impact on defraying costs.

NOVA Open could not support charity to the extent that it does without all of you. Thanks!
