Dear Ms. Brandt,

On behalf of the staff of Doctors Without Borders/Médecins Sans Frontières (MSF), I want to thank you for your generous gift of $55,000.00 received on December 31, 2020.

We would like to acknowledge your generosity by including your name in publications such as our annual report. Your name will appear as "NOVA Open Charitable Foundation, Inc.." If you would like us to make a correction, please call 646-253-4518 or email NYannualreport@newyork.msf.org within the next 30 days.

Your contribution helps ensure that our patients receive the care they so urgently need, no matter their circumstances. In the last few months alone, support from caring donors like you has helped us respond to a range of emergencies in more than 70 countries, including:

- **Malaria in Central African Republic (CAR):** Malaria is the leading cause of death for children under five. We have launched a mass drug administration campaign in response and have set up COVID-19 isolation wards in all our projects.
- **Flooding in South Sudan:** Severe flooding has displaced thousands of people in South Sudan. In response, we have distributed 7,252 mosquito nets and treated 1,493 children under five for malaria.
- **COVID-19 in Brazil:** Our teams are providing COVID-19 support to local health departments in Brazil — particularly, the historically neglected indigenous community whose chronic diseases often go untreated.

Our critical work to deliver emergency care to people caught in these crises wouldn't be possible without your generous support. Thank you for being part of our important lifesaving mission.

Sincerely,

Avril Benoît
Executive Director, Doctors Without Borders USA
