EVENING NARRATIVE SERIES: War for the Webway

Thursday, Friday, Saturday, 10:00pm - 2:00am

Each night is limited to 10 players: 5 Loyalists; 5 Traitors

Join in on a late night 30k Narrative campaign that explores the events of the Black Library's **Master of Mankind**. Players will be able to participate in one or all of the events and will contribute to the narrative no matter which nights they play.

Thursday night is based on the opening campaign of the War for the Webway, played over 3 games: 1 strike team; 2 small scale centurion. Friday represents the larger scale battles in a city fight setting over 2 games: 2 standard Age of Darkness at varying points levels. Saturday night will represent the final days of the conflict, played in 5x5 mega-battle style.

Each night will have a maximum of 5 players per side. When you register, choose the ticket for the faction you want to play on the night/s you choose. An army from each faction will be available for loan the night of; this should be worked out with the EO ahead of time, first come / first serve.

Loyalist Faction can be drawn from: Talons of the Emperor and Mechanicum forces for all 3 nights. The final night will allow loyal questoris knight armies (House Viryidian preferred) and titans. Traitor factions can be drawn from: Demons of the Ruinstorm, Age of Darkness demons, any traitor legion. The final night will allow for dark mechanicum and traitor titans.
