

REASONS TO VISIT THE ONLINE STORE

June 1, 2019

This year's NOVA Open offers its largest schedule yet with 279 convention-wide games and events. As we steam into our 10th anniversary convention, we are excited that 93 of those are sold out - but there is wisdom in adding yourself to those wait lists. All that said, there are 186 things that you can still do at NOVA Open 2019!

AVAILABLE:

- All FFG events are starting to fill; jump in before the wait lists begin.
- Games Workshop events still have space, including some in Blood Bowl, Underworlds, LotR and the Narrative.
- Infinity, WM/H, Guild Ball/God Tear, D&D, and Malifaux are all looking for more players.

SEMINARS:

There are 103 seminars on the NOVA Open 2019 schedule - seminars of all types. Nearly 40% are sold out, but 65 still have space. Many of those have just 1-10 seats left.

NEW EVENTS ADDED:

Age of Sigmar added a Thursday RTT last month. Today, the team rolls out THREE "NOVA Friendly" events which will run from 7:45pm- 2:00am on Thursday, Friday and Saturday!

EXPANSIONS:

Kill Team Pods, Recon Squads and Infinity all added seats last month.

UPDATES:

Infinity just updated its primer. Steamforged updated Guild Ball and God Tear events last month, as well.
