

Two old friends. One incredible evening.

Tony Singh MBE and Cyrus Todiwala OBE have been cooking together for over two decades, swapping recipes, ribbing each other, and generally having the time of their lives doing it. As *The Incredible Spice Men*, they're bringing that double act, and a four-course menu built around it, to The Oxford Belfry for one night only. Expect flavour, stories, and plenty of banter over the chopping board.

WHO'S COOKING

Tony Singh MBE is a Leith-born chef, Master Chef of Great Britain, and a familiar face from Netflix's Somebody Feed Phil and BBC's Saturday Kitchen. Cyrus Todiwala OBE DL is chef-owner of London's Café Spice Namasté. They've been The Incredible Spice Men since 2013, and they still can't agree on much except the food.
