## Jesus Comforts Friends on the Way to Emmaus (Luke 24:13-35)

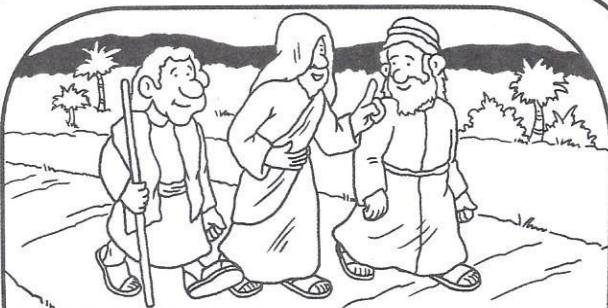

Color and cut out the story panels below and glue them onto a separate page in the order in which they happened in our Bible story. If you like, you can save your page and add it to the others you will make this week to create a complete Voyager's Log book of To Mars and Beyond Bible stories!

Jesus came and started walking with them, but they didn't recognise him at first.

The men were so excited to see Jesus alive that they ran back to Jerusalem to share the good news.

Jesus talked with them and explained how recent events exactly matched what scriptures had told them would happen to the Messiah.

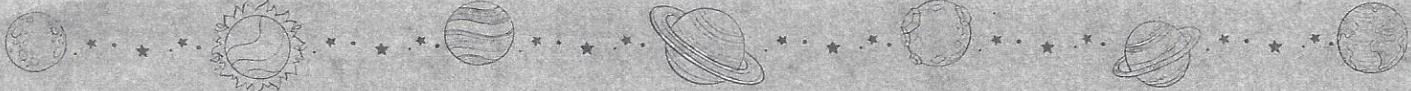

At the meal, Jesus broke the bread and gave thanks. Then the men recognised him, but he disappeared from their sight!

Talking with Jesus made the men feel better. They invited him to stay with them and have dinner.

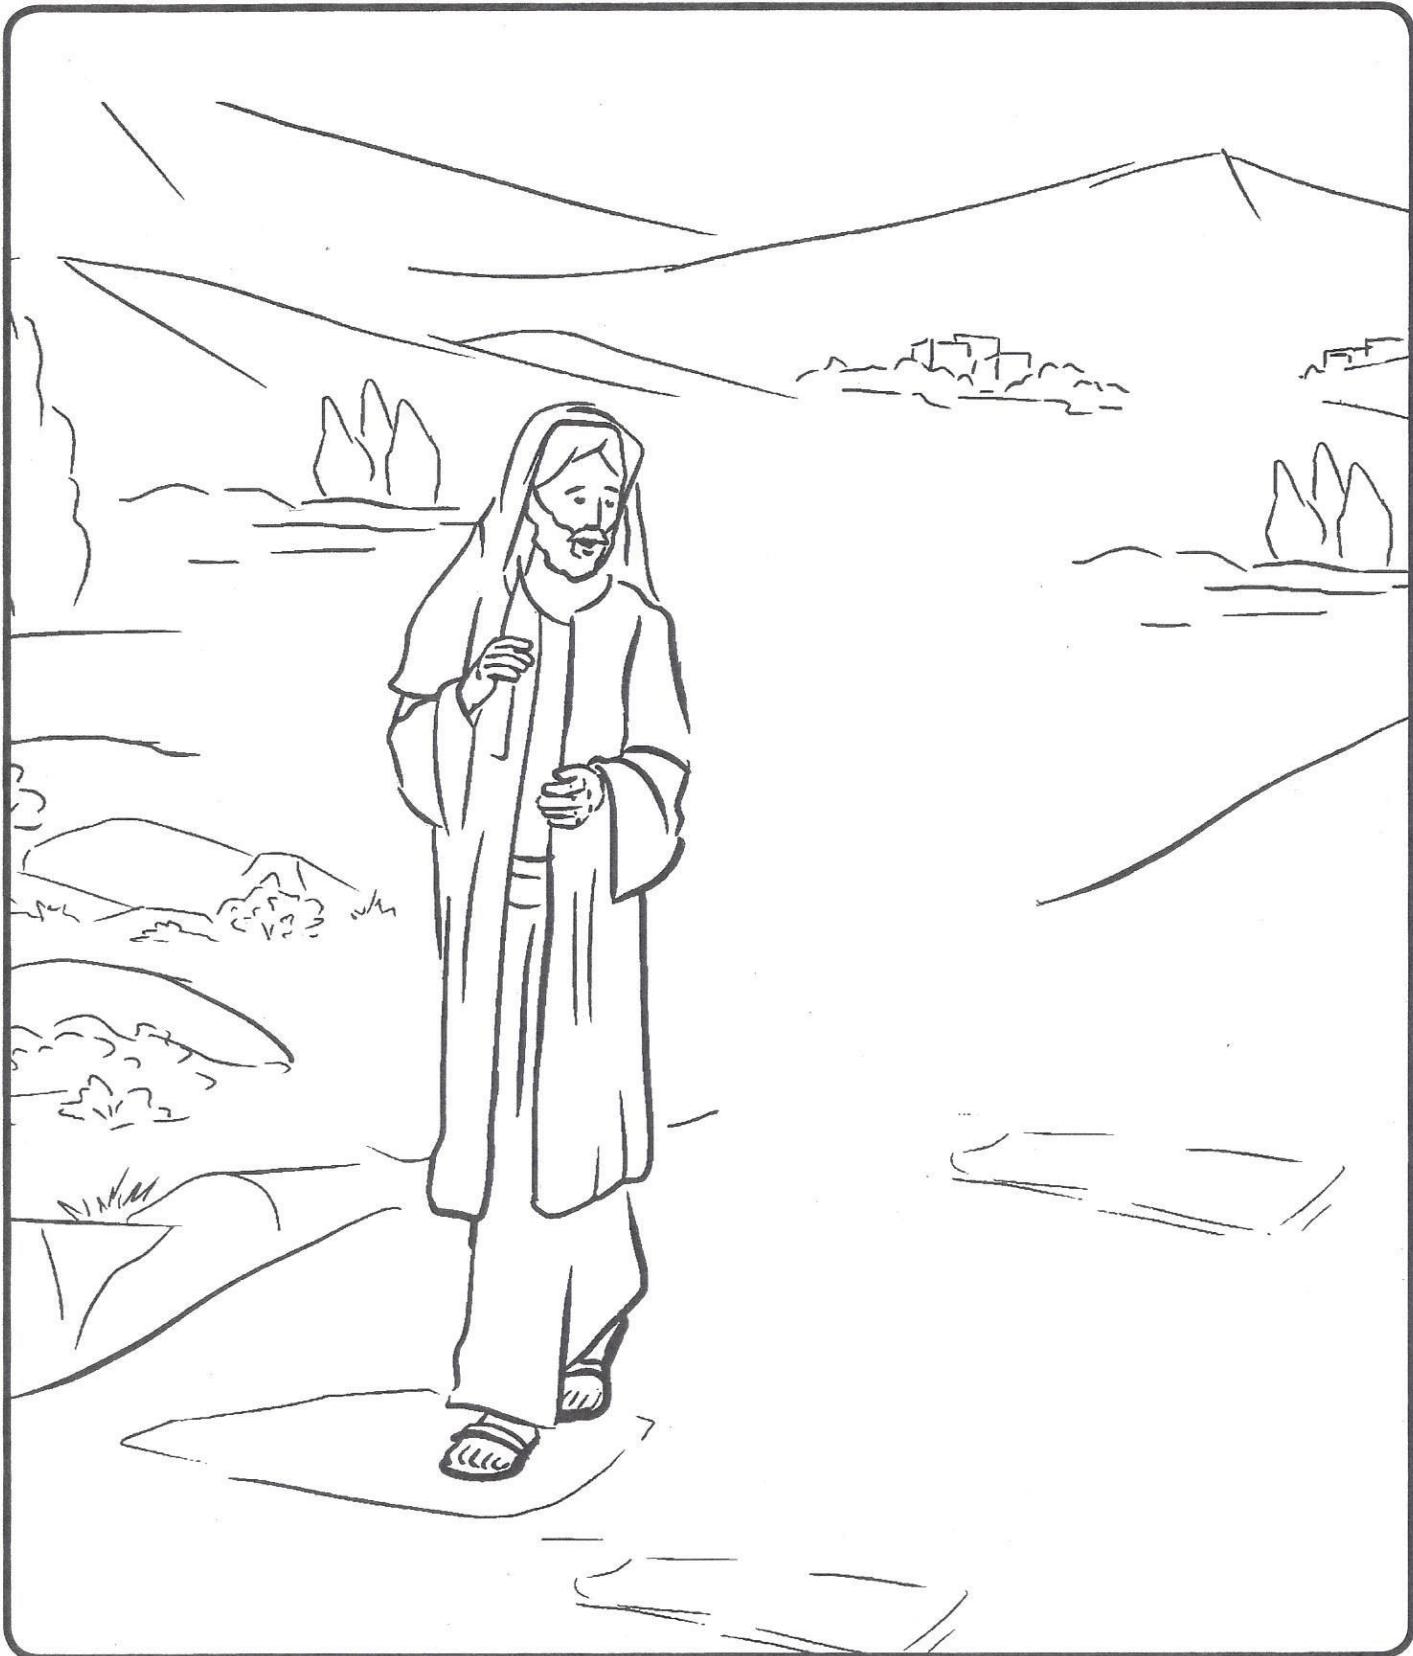

Two of Jesus' friends were traveling from Jerusalem to a village called Emmaus. They were sad and confused because Jesus had just died, and they were hearing rumors he came back to life.
