Live Webinar on Cybersecurity Protection for Your Business

TeamLogic IT is hosting a <u>live webinar</u> on Thursday, June 5 at 2:00 PM ET on how to protect your business from cyber threats. For many businesses a cyberattack can precipitate substantial financial losses, damage to reputation and potential business closure.

The free one-hour webinar is hosted by TeamLogic IT and features cybersecurity expert Michael Marrano, author of "The Human Firewall Builder Cybersecurity for CEOs, Founders, and Entrepreneurs." It's designed to provide business owners with the knowledge and strategies necessary to make informed decisions to safeguard your organization's future.
