About Tims Camps

Tim Hortons® Foundation Camps were established in 1974 with a mission to help underserved youth achieve their full potential. A leader in the youth development industry, Tims® Camps deliver high-impact, camp-based experiential learning to youth from low-income households between the ages of 12 and 16 – an important developmental window that shapes who they'll become as adults. Through multi-year Summer, School, and Community Partnership Programs, campers develop critical life skills and are supported to thrive when they return home, excel in post-secondary education, succeed at work and positively contribute to their communities.
