

Dear Affiliate Member,

I am very excited to reveal we will be continuing our Cactus & Pine, Affiliate Membership Benefits Program for 2022. This structure provides Affiliates the opportunity for a membership along with a sponsorship opportunity no matter the size of your company. Overall this structure is very similar to what we've done the last five years with minor adjustments made based on the valuable feedback we have received from you, the Affiliate nucleus.

There are many benefits of these programs:

- **A simple system for both Affiliate membership and event sponsorship. You only have to get approval once a year, with no bothersome phone calls requesting more sponsorship dollars from us**
- **Help Affiliates and the Association budget for the entire year**
- **Increase Affiliate exposure to Cactus and Pine membership**
- **Offer new avenues for advertising including: Website, Seminars, Membership Directory, Tabletop Advertising Boards, Bi-Monthly Web Newsletters, tournaments**
- **Companies/Affiliates to be included on the Cactus and Pine "Preferred Vendor List"**
- **Enhanced meeting locations, Food & Beverage, first class education seminars including paid guest speakers, prize money for golf tournaments**
- **Our Yearly Holiday Party for all of our Members, their children and families with Santa, Gifts and food & beverage**

As many of you are aware of, Cactus & Pine has become instrumental in many of the challenges the Golf Course Industry is currently facing. We not only have attended many of the important Central Arizona Project meetings, ADWR, ADEQ events, State, County & City Task Force and Political gatherings, attended National Golf Day and had representation in Washington, DC on the WOTUS bill. We also had our second Informative Town Hall Meeting Regarding Water for Turfgrass in Arizona to highlight the major economic impact the Turfgrass Industry has on Arizona's economy!

A New Group was formed, The Arizona Alliance for Golf with Cactus & Pine spearheading the Water & Legislative Entity. We also completed the 2021 Best Management Practices Template Supporting the Turfgrass Industry in Arizona and raised awareness and funds to pay for it, Without going to our Loyal Affiliate Sponsors like You!!

Our goal is to draw more attention to our events, seminars, web site and golf tournaments. This will increase attendance, thus exposure for the Affiliates. We feel it's simple and affordable to all vendors. It keeps us from constantly having to come to you and solicit for support for the events we have. Listed below are the different membership levels.

We feel we have put together some great packages, where everyone will have the opportunity to participate at some level based on what makes business sense for you and your company while increasing your exposure to the members. Please contact me with any questions or a way to customize a package for you!

Sincerely,

Marc Snyder

Board President, Cactus & Pine, GCSA
