

Dear New Cavalier Families,

We are excited to welcome you to the John Carroll community! As a friendly reminder, all new students are required to have a Chromebook. As a new student for the upcoming 2026-2027 school year at John Carroll Catholic High School, you have the opportunity to **purchase** a brand new school-issued Dell Chromebook 11 through the school, **or decline** the purchase and opt to use your **own device**. The form will be **opened on Wednesday, June 3rd, 2026**. Please complete this form by **June 19, 2026** to reserve your Chromebook or decline the option.

If you choose to **purchase** through John Carroll, the *estimated price* for the device is **\$389**. *This price is subject to change* and will be finalized at the time of ordering through the purchase link on the order form. Devices will be picked up at New Student Orientation Night.

If you **decline**, you will still be expected to meet all digital-learning requirements including logging into the school management system and using approved Chromebooks. Below is some information on what specs and drop off information you will need in your Chromebook. You will need to drop off this device with you on New Student Orientation Night.
