

BECOME A CEMETERY SAMARITAN
Adopt a Flower Bed

Volunteers are needed to weed and deadhead various garden beds throughout the cemetery and columbarium. *(Note, decorations are not allowed in columbarium).*

Your name and the name(s) of those for whom you are honoring will be posted on the shed in gratitude for your time and effort.

GARDENS

- The gardens range in size, you can care for them on your own or with friends/family.
- Flowers have been planted by previous volunteers, but you can replace them, add annuals or seasonal decorations.
 - Three beds to the right of the garden shed along the drainage ditch trimmed with pavers. Do one or all three! Approximate sizes: 4' X 4' | 5' X 4' | 4' X 3'
- The garden bed behind the chapel: Approximately 7' X 4'
- The bed to the left of the shed along the drainage ditch will be cleared of the wild growth to make it manageable. Approximate size: 40' X 6'.
 - It can be divided into smaller beds or maintained by a group of friends or family who'd like to garden together!
- The columbarium is also a large area that could be divided into three separate beds or maintained as one bed, by a group of friends or family.

Please consider adopting a bed. This is a **GREAT OPPORTUNITY** for teaching our children and grandchildren your family history, respect for those who have gone before us, nurturing their final resting place, commitment, and beautifying a time in history.

If you have an interest in adopting a bed, please contact aurajhalbach@gmail.com. Thank you!
